AGREEMENT
BETWEEN THE CALHOUN INTERMEDIATE SCHOOL DISTRICT
BOARD OF EDUCATION
AND
CALHOUN AREA CAREER CENTER EDUCATION ASSOCIATION

This Collective Bargaining Agreement is entered into the 1st day of July, 2023 by and between the Board of Education of the Calhoun Intermediate School District (the “CISD”, “District” or “Board”) and the Calhoun Area Career Center Education Association, MEA/NEA (the “Association”).

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1 - RECOGNITION

A. The Board recognizes the Association as the exclusive bargaining representative, as defined in the Public Employment Relations Act, for all Calhoun Area Career Center (CACC) non-supervisory professional employees engaged as teachers, but excluding:

1. Substitute or temporary employees or contractors.
2. Employees who supervise, directly or indirectly, any member of the bargaining unit.
3. Employees of regional programs administered by the Board as fiscal agent.
4. Executive, Administrative, Clerical, Custodial, Technical, Food Service, CTE Instructional Support Staff, Teacher Assistants, and Paraprofessionals.
5. All teachers and other non-supervisory professional employees in the bargaining unit exclusively represented by the Calhoun Intermediate Education Association.
6. All other employees of the District.

B. The terms “teachers”, “employees” or “bargaining unit members” when used hereinafter in this Agreement shall refer to employees represented by the Association in the bargaining unit as above defined. The term “Board” shall include its officers and agents.

C. There shall be three classifications of employees under this Agreement:

1. "Tenure" employees, which shall be defined to include certificated employees holding assignments for which certification is required, according to the provisions of the Teachers' Tenure Act, who have completed the probationary period required by the Tenure Act and who have not been denied tenure.

2. "Non-Tenure, Non-Probationary," which includes bargaining unit members who are not subject to the Tenure Act but who hold state approval or state authorization for credentialing in their assignment, and have completed at least four years of experience in the District.

3. "Probationary" employees, which shall be defined to include all remaining employees in the bargaining unit exclusive of "tenure" employee, as above defined.

This Agreement shall neither be construed nor interpreted to confer tenure upon any bargaining unit member in any capacity other than as a teacher for "tenure" employees who have satisfied the probationary period required by the Tenure Act.

ARTICLE 2 - BOARD RIGHTS

A. The Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, and duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, and following rights:

1. All rights designated as management rights or prohibited subjects of bargaining under the Public Employment Relations Act (PERA), as amended.

2. The right to determine curriculum and to start, end or modify a program.

3. The right to the executive management and administrative control of the CISD and its properties, facilities and activities of its employees, including determining reasonable provisions for health, safety and first aid of all employees and individuals on District properties.

4. The right to hire employees, determine their qualifications, determine the conditions of their continued employment or their dismissal, layoff, or discipline, and to promote, transfer and assign all employees.

5. The right to determine the hours of operation and instruction and the location where programs will be conducted.

6. The right to determine student enrollment, class schedules and the size of classes or programs.

7. The right to decide upon the means and methods of instruction, the selection of textbooks, teaching materials and equipment and the use of instructional aids of every kind and nature.

8. The right to determine the services, supplies and equipment necessary to continue its operations and to determine the methods of distribution, dissemination, and/or selling its services, the means, methods, schedules and standards of operating, the means, methods and processes of carrying on the work including automation thereof or changes therein, and the institution of new and/or improved methods or changes therein.

9. The right to adopt reasonable rules and regulations.

10. The right to require an employee who is reasonably suspected of being under the influence of a controlled substance or alcohol to be tested and to also engage in drug testing of employees who are required to be tested by State and federal law.

11. The right to determine and re-determine job content.

12. The right to establish courses of instruction and in-service training programs for employees.

B. The exercise of the foregoing powers, rights and authority, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.

C. The listing of specific management rights in this Agreement is not intended to be, nor shall it be restrictive of or a waiver of any rights of management not listed and specifically surrendered herein whether or not such rights have been exercised by the Board in the past.

ARTICLE 3 - EXTENT AND EFFECT OF AGREEMENT

A. There are no understandings or agreements or past practices which are binding on either the District or the Association other than the written agreements contained in this Agreement. No further agreements shall be binding on either the District or the Association until the same have been put in writing

and signed by both the District and the Association as either an amendment to this Agreement or as a Letter of Agreement approved and executed by both parties.

It is the intent of both parties that provisions of this Agreement will supersede all prior agreements and understandings, oral or written, expressed or implied, between such parties and shall govern their entire relationship and shall be the sole source of all rights and claims which may be asserted hereunder.

B. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the District and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waive the right and agree that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement and with respect to any subject or matter which was negotiated in the formation of this Agreement but upon which no agreement was reached.

C. All provisions of this Agreement are subject and subordinate to the obligations of either party under applicable laws or regulations unless such laws or regulations do not restrict the parties from agreeing to a contractual provision, which has become part of this Agreement, and which provides enhanced or diminished rights in comparison to the law or regulation. If any provision or application of this Agreement shall be prohibited by or be deemed invalid under such applicable laws or regulations, or shall become unlawful due to legislative enactment, such provision(s) or application(s) shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. If any provision of this Agreement is invalidated, the parties agree to meet within twenty (20) days of such action in order to renegotiate such invalidated provision, to the extent permitted by law.

D. No material increases in benefits or compensation beyond that allowed in this Agreement will be permitted unless ratified by both parties.

E. An emergency manager appointed under the Local Financial Stability and Choice Act is authorized to reject, modify, or terminate this Agreement as provided in the Local Financial Stability and Choice Act, 2012 Public Act 4436. This clause is included in this Agreement because it is required by 2011 PA9.

ARTICLE 4 - ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. Upon prior administrative approval, the Association shall have the right to use school facilities, if available, after working hours without cost, in accordance with Board policy. One day of each month shall be set aside for an Association meeting after the end of the normal workday.

B. The Association shall have the right to post notices of activities and matters of Association concern on the bulletin board in the teacher's mail room.

C. The Association has the right to use teacher mailboxes for communication to teachers. Provided, that this shall not require the board to transport Association communications over U.S. postal routes.

D. Officers or representatives of the local, state or national Association desiring to see teachers during the school day must check with the administrator of the building involved. The administration will decide whether or not the conference will interfere with the instructional program.

E. The Association shall advise the Board, in writing, of the names of all Association Representatives (and their alternates) and officers within ten (10) days of their election or appointment. The Board shall not be required to recognize or deal with any employee as a representative of the Association other than those designated in the manner described above.

F. Association Representatives shall represent the bargaining unit members and shall be authorized to resolve grievances and other matters on behalf of such bargaining unit members in any step of the grievance procedure provided herein. Any grievances and matters resolved with the Board or its representatives shall be final and binding upon the employees, the Association and the Board.

G. All grievance procedures and grievance investigations by the Association will be conducted during times which do not interfere with the employees' assigned duties. It is understood and agreed that if at any time, and by mutual agreement with the Board, such procedures are handled within the time of normal assigned duties, the employees involved shall suffer no loss of pay.

H. **Association Business Leave:**

1. At the beginning of each school year, the Association shall be credited with three (3) days to be used by teachers who are officers of the Association. Such use is to be at the discretion of the Association but shall not be used to support or participate in any strike activity.

2. The Association agrees to notify the Board in writing no less than forty-eight (48) hours in advance of the date of intended use of such leave. If the urgency of the leave is of such a nature that the forty-eight (48) hour notice is

not practicable, the Director shall be notified as soon as possible and may waive the notice requirement.

3. The Association shall reimburse the Board the current daily rate for hiring a substitute for each day used, should a substitute be necessary. The Association shall reimburse the District for the employee retirement contributions.

4. The filing of the grievance shall in no way interfere or interrupt the right of CISD to proceed in carrying out its management responsibilities.

5. All preparation, filing, presentation or consideration of grievances shall be held at times other than when bargaining unit members or participating Association Representatives are to be at their assigned duty stations unless otherwise mutually agreed by the parties in advance of the bargaining unit member or Association Representative leaving their assigned duty station.

A. Each teacher shall have the right, upon reasonable request, to review the contents of his/her personnel file with 1 business day notice. A representative of the Association may, at the teacher's request, accompany the teacher in such review. The review will be made in the presence of the administrator (or designee) responsible for the safekeeping of such files.

Matters outside the definition of a "personnel record", as set forth in Section 1 of the Bullard-Plawecki Employee Right to Know Act, are specifically exempted from such review.

ARTICLE 8 - COMPENSATION

A. Salaries.

1. The salaries of employees covered by this Agreement are set forth in Appendix A – 2023-2024 Salary Schedule(s) (4% scale increase); Appendix B – 2024-2025 Salary Schedule(s) (3.75% scale increase); and Appendix C – 2025-2026 Salary Schedule(s) (another additional 3.75 scale increase) which are attached and are part of this Agreement. To comply with Section 1250 of the Revised School Code, the CISD Board will establish a merit pay system to reward teachers for job performance and job accomplishments.

2. Two Hundred Dollars (\$200) above the BA scale will be added to the salary of teachers who have completed eighteen (18) semester hours subsequent to receipt of the BA degree. The semester hours must be graduate level work in an approved program leading to a MA degree which are either related to the teacher's instructional duties at CACC or are otherwise approved in advance by CISD.

3. One Hundred Fifty Dollars (\$150) will be paid to teachers for each ten (10) semester hours completed subsequent to receipt of the Masters Degree. These hours must be at the graduate level and related to the teacher's instructional responsibilities at CACC or approved by CISD, in advance, based on the relationship of the coursework to the teacher's anticipated assignment at CACC.

4. Newly hired employees may be allowed salary schedule credit for no more than their actual years of professional experience.

5. Newly hired employees who begin work between July 1 and January 31 will receive a full step advancement at the commencement of their next school year subject to 2011 PA 54. If an employee starts work on or after February 1, but before July 1, he/she shall remain on his/her original step of placement for the duration of his/her next succeeding school year.

6. Periods of time on unpaid leave or layoff shall not count toward step advancement. However, if a bargaining unit member has worked ninety (90) or more days in the school year in which leave is taken or during which a layoff occurs, the step advancement shall be granted when the bargaining unit member returns to work.

7. Upon receipt of original transcripts documenting a degree, a \$2,500 annual stipend will be paid to a teacher who has been awarded a doctorate degree in education or the instructional area to which the teacher is assigned at CACC. The stipend payment will be prorated based on the amount of time and days to be worked in a year.

B. Employees required to use personal cars on official business shall be reimbursed monthly at the current IRS rate for business expense upon the submission of a properly prepared expense voucher.

Expenses for attendance at meetings and conferences that have been approved in advance by CISD will be paid in accordance with CISD policy.

C. Regular part-time teachers shall receive pro-rated salary, fringe benefits and other benefits under this Agreement based on the amount of time that they work in proportion to the schedule of a regular full-time teacher.

D. When a bargaining unit member believes that he/she has attained eligibility to advance to a higher salary column, he/she shall provide CISD with a certified transcript verifying the requisite academic attainment. It is the responsibility of the bargaining unit member to obtain verification from the issuing academic institution as a condition to placement on a new salary schedule column. Salary adjustments for which such verification is received after the beginning of the semester shall be made retroactive to the beginning of that semester only subject to 2011 PA 54. For purposes of this subsection, the beginning of the second semester shall be January 15.

E. Bargaining unit members who have twenty (20) or more years of service with CISD shall receive a longevity payment of Three Hundred Dollars (\$300) per year. This longevity payment shall be increased to Five Hundred Dollars (\$500) per year when the bargaining unit members attain twenty-five (25) years of service with CISD. For purposes of this provision, "years of service with CISD" shall also include a bargaining unit member's years of service as an employee of Battle Creek Public Schools which occurred up to and including the 2006-2007 school year and which involved the performance of instructional responsibilities at CACC.

F. In the event an employee receives unemployment compensation for a scheduled work day which was cancelled due to conditions not within the control of school authorities and if the canceled day is rescheduled, the employee's compensation for working the rescheduled day will be adjusted such that the compensation for the rescheduled day, plus the unemployment compensation for the canceled day, equals the compensation an employee would have earned had the employee been compensated for the rescheduled day at the regular rate of pay.

In the event an employee receives unemployment compensation benefits for non-scheduled work day(s), such as a holiday break period or the summer break period for an employee who would not have worked in the summer, the employee's compensation for the period which follows the non-scheduled work day(s) will be adjusted in the same manner such that the adjusted compensation, plus the unemployment compensation, equals the compensation the employee would have earned had the employee been compensated for the period following the non-scheduled work day(s) at the regular rate of pay. Teachers who were placed on layoff at the end of the school year and who continue on layoff after the official fall student membership count date of the new school year are exempt from the procedures in this paragraph.

This section is not intended to adjust compensation for unemployment received for regularly scheduled workdays.

G. Where the teacher secures, with CISD's prior approval, certification granted by an industry-recognized accreditation entity related to the teacher's assignment, CISD will pay the cost of certificate issuance or renewal. This obligation is limited to circumstances where the certification issued to the teacher is to enable the teacher to certify the abilities of the students enrolled in the program instructed by the teacher and does not apply to the issuance or renewal of teaching certificates, approvals, permits or authorizations.

H. Bargaining unit employees who have unused Personal Days at the end of the school year will be paid \$100/unused day. Payment will be made on or before June 30th of that year. Effective July 1, 2017, employees have the additional option of converting unused full personal days to their sick bank.

ARTICLE 9 - SENIORITY

A. Seniority:

"Seniority" is defined as the length of continuous service within the bargaining unit from the most recent date of hire. Leaves of absence granted pursuant to

this Agreement and periods of layoff shall not constitute an interruption in continuous service. "Seniority" shall also include all periods of teaching service of the bargaining unit member with Battle Creek Public Schools in the bargaining unit that was represented by the Association when Battle Creek Public Schools served as the operating entity of the Calhoun Area Career Center.

The Board shall prepare a seniority list by certification and areas of instruction and transmit a copy of the same to the Association and to each bargaining unit member on or before the 1st day of November annually. If no objections to the seniority list are received within thirty (30) days from its distribution, the Board's list shall be regarded as conclusive.

In the event more than one individual has the same date of hire, all individuals so affected will participate in a drawing for each date of hire, to determine placement on the seniority list. Such drawing shall occur only once. The Association and the bargaining unit members so affected will be notified in writing of the date, place, and time of the drawing, and given the opportunity to be present. The first name drawn shall be the first name on the seniority list for that date, and proceed in that order. The Board shall draw the first name and the Association shall draw the second name and proceed alternately until all names are drawn.

B. An employee shall provide written notice to the Board and Association of any change to his/her certificates, endorsements, licenses, authorizations, approvals or qualifications, after the original filing of same with the Board. This shall include notice of attainment of any additional endorsements, certificates, renewals, authorizations, approvals, as well as expirations, revocations and any limitations thereon. The employee shall further notify the Board and Association, in writing, in the event that he/she petitions the State Board of Education for nullification or limitation of his/her certificate, one or more endorsements thereon or a grade level certification appearing on the certificate.

ARTICLE 10 - SUBCONTRACTING

A. For the purposes of this Agreement, contracting or subcontracting shall include, but not be limited to, an agreement or arrangement whereby a program previously conducted or operated by the CACC involving work performed by this bargaining unit is transferred by CISD to another person or entity, such as, but not limited to, a private enterprise, a hospital or another educational institution.

B. The Board shall have the right to contract or subcontract bargaining unit work or assign bargaining unit work to non-bargaining unit members without negotiating with Association if doing so does not cause bargaining unit members to be laid off or cause the work hours of a bargaining unit member to be reduced.

C. If the contracting or subcontracting of bargaining unit work or the assignment of bargaining unit work to non-bargaining unit members will result in a bargaining unit member being laid off or the work hours being reduced, the following shall apply:

1. The Association shall be provided with written notice of the proposed contracting, subcontracting or assignment of bargaining unit work. This notice shall provide the Association with the proposed timelines.

2. If the Association desires to discuss the proposal, the Association shall, within ten (10) days of receipt of the notice, advise the Board of its desire to do so, in writing.

3. If the Association complies with subsection C-2, representatives of the Board and Association shall meet within ten (10) days of the date the notice from the Association was received or at such other mutually agreed upon time. At the meeting the proposed contracting, subcontracting or assignment of bargaining unit work shall be reviewed, together with the reason(s) therefore. Alternatives proposed by the Association shall also be reviewed at the meeting.

4. The proposed contracting, subcontracting or assignment of bargaining unit work shall not be implemented sooner than thirty (30) days following the first meeting held pursuant to subsection C-3. During that interim period the Association may propose alternative courses of action. If the Association proposes alternative courses of action, additional meetings may be held during the interim period to discuss any Association proposal.

5. If the proposed contracting, subcontracting or assignment or bargaining unit work is implemented, the Board shall, to the extent permitted by law, meet at the request of the Association to negotiate regarding the impact of any decision to contract or subcontract bargaining unit work or to assign to non-bargaining unit members work previously exclusively performed by bargaining unit members.

ARTICLE 11 - MISCELLANEOUS

A. This Agreement shall supersede any rules, regulations, or practices of the parties which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts or collective bargaining agreements previously in effect. All individual teacher contracts are and shall be made expressly subject to terms of this Agreement.

B. Withdrawal of Services. For the duration of the Agreement, the Association will not engage in, authorize or encourage, any interruption of educational services or activities due to a cessation, withdrawal, or withholding of services in any manner or form either in whole or in part by members of the bargaining unit for any reason and no officer or representative of the Association or member of the bargaining unit shall be empowered to provoke, instigate, cause, participate in, assist, encourage or prolong any such prohibited activity.

C. In the event that the Calhoun Area Career Center is closed because of conditions not within the control of school authorities (such as severe storms, fires, epidemics, utility power unavailability, water or sewer failure, or health conditions as defined by the city, county or state health authorities), employees shall not be required to report to their regularly assigned work location.

D. Scheduled days and hours of student instruction which are not held due to the above conditions will be rescheduled as necessary to insure the requisite number of instructional days and hours as prescribed by Michigan law. Employees will receive their regular pay for days and hours that are cancelled, but shall work on the rescheduled days and hours with no additional compensation.

E. The parties agree that the above provision is intended to comply with the provisions of the Revised School Code and the State School Aid Act to insure that CISD will incur no loss of state membership aid. Further, the parties recognize CISD's obligation to comply with the requirements established by the Michigan Department of Education regarding the number of student instruction days and hours, as defined by that agency. In addition to any requirement of the State School Aid Act to receive full state aid, the parties agree to reschedule cancelled days and hours of student instruction (attributable to the above conditions) to insure the minimum number of instructional days and hours required by the Department of Education.

F. On a scheduled work day when students are in attendance at the CACC and road conditions do not permit an employee to safely travel to work, he/she shall contact his/her immediate supervisor to explain the circumstances preventing the employee from reporting. If the employee is excused from reporting, he/she must use paid personal leave if they are to be paid for that day.

ARTICLE 12 - ASSIGNMENT AND VACANCIES
--

(Note: The "procedural" aspects of the assignment process presently reflected in portions of this Article fall within the scope of the bargaining prohibition. Ionia Case)

A. **Assignments.**

1. Assignments shall be made by the Board at its discretion pursuant to Policy 4402 Assignment and Transfers, paragraph A – Teachers.

B. Vacancies.

1. A “vacancy” shall be defined as a newly created position within the bargaining unit or a present position within the bargaining unit that becomes vacant by reason of permanent separation (by resignation, death, discharge, etc.) of the teacher formerly in the position. No vacancy shall exist for purposes of this Article unless and until the Board shall determine to fill any such position which determination shall be the sole discretionary authority of the Board.

2. The Board agrees to notify the Association President of vacancies which occur during the summer and to post vacancies in bargaining unit positions which occur during the academic year for no less than five (5) working days in a conspicuous place prior to filling the vacancy, except in such cases as the Board shall deem it necessary to dispense with this procedure in order to expeditiously fill a vacancy which the Board determines must be filled on a more immediate basis. The Board shall also have the right to fill a vacancy on an interim basis during the posting period.

3. A teacher may apply for a vacancy by submitting an internal application to the Human Resources Department by using the online process.

ARTICLE 13 - WORKING DAYS AND HOURS
--

A. The CACC calendar (Appendices D, E and F) shall be regarded as part of this Agreement. All bargaining unit members work schedules shall follow the adopted calendar.

B. Teachers shall work a minimum of 7.5 hour day which will include a thirty (30) minute duty free lunch period. However, the amount of student instruction time within the work day may be increased if it is necessary to do so to meet State of Michigan requirements regarding hours of pupil instruction or to receive full State aid. Upon request of the Association, the Board and Association will bargain regarding how the regular instructional day will be adjusted to meet the latter requirements.

The aforementioned number of hours in the work day refers to the regular instructional day and does not refer to those days which are longer because of activities such as staff meetings; training or professional development; open houses; parent/ teacher meetings; and advisory committee meetings. It is recognized that daily preparation for effective teaching and duties, responsibilities and activities related to teaching require many hours of

application outside the normal instructional day and add to the professional responsibilities of teachers. Teachers shall be free to leave after student dismissal on Fridays or the day before a holiday.

The aforementioned number of hours (7.5) in a regular instructional work day does not refer to a Professional Development Day (PDD). The district's obligation to provide 5 PDDs to a bargaining unit member will be met by providing 30 hours of PD per year. A bargaining unit member's PDD is 7 hours and includes 6 hours of PD, a 15 minute break in the a.m. and p.m. and a duty-free lunch period of 30 minutes.

If the duty-free lunch is expanded to 60 minutes, the PDD is 7 ½ hours.

Three and ½ days of the PDDs will be scheduled on the calendar (21 hours). Nine (9) hours of PD will be provided and accounted for in one hour increments and scheduled at the end of an instructional work day.

C. It is recognized that the nature of the CACC operation is such that the starting and ending times for students shall be flexible and the Board shall have the right to change or stagger such times. Teachers must be in their program areas a minimum of five (5) minutes prior to the beginning of class.

D. Attendance at staff meetings or educational/training conferences, parent-teacher conferences and advisory committee meetings are considered part of all teachers' professional duties and teachers are required to attend such meetings. Such meetings or conferences held at the end of the day shall begin as soon as feasible after student dismissal. A teacher who has a need to be excused from such meetings or conferences shall advise the administration and shall be excused for legitimate reasons.

E. The administration shall have the option to require teachers to serve on one (1) standing committee of the CACC. The Board and the Association recognize the value of constructive teacher participation on these committees. Standing committees may include NCA, other accreditation, school improvement and similar school-wide committees.

ARTICLE 14 - TEACHING CONDITIONS

A. If a concern arises regarding class size, the administration shall meet with the affected teacher(s) and an Association representative, review any applicable state guidelines, and discuss the situation and any alternatives which may be considered.

B. The Board agrees to provide, without cost to the teacher, necessary articles of safety equipment which are required by the teacher's program such as gloves,

smocks, and glasses. The teacher and Director (or designee) shall consult regarding whether a desired article of safety equipment is required by the program. The Director (or designee) will determine whether the equipment will be obtained.

ARTICLE 15 - RETIREMENT

A. Eligible teachers electing to retire and receive the benefit in this Article shall submit a written notice of retirement and resignation to the Board at least seventy-five (75) calendar days prior to the effective date of their resignation.

B. Eligible teachers hired before July 1, 2012, shall be paid for up to ninety (90) accumulated sick days at their per diem rate. Payment shall be prorated for part time employees.

Eligible teachers hired on or after July 1, 2012, shall be paid for up to ninety (90) accumulated sick days at 30% of their per diem rate.

Teachers hired on or after July 1, 2017, shall not be eligible for this benefit.

To be eligible for this benefit all of the following conditions must be satisfied:

1. The teacher must have retired under the Michigan Public School Employees Retirement Act.

2. The teacher must have been hired by the Battle Creek Public Schools prior to June 30, 2007 and have been employed by the Battle Creek Public Schools and/or by Calhoun Intermediate School District for at least ten (10) consecutive years (including periods of approved leave).

a. If the teacher was hired by Calhoun Intermediate School District on or after July 1, 2007, the teacher must have at least ten (10) consecutive years of service (including periods of approved leave) in order to be eligible for the retirement benefit under this Article.

b. For purposes of determining eligibility for a teacher to receive the retirement benefit described in this Article, “consecutive years of service” shall be inclusive of: (1) years of service as a teacher or support staff member to the Battle Creek Public Schools; and (2) years of service as a teacher to the Calhoun Intermediate School District while assigned to the Calhoun Area Career Center; and (3) periods of approved leave while retaining employment rights with Battle Creek Public Schools or Calhoun Intermediate School District.

c. The teacher must have given notice required by Section A. However, the Board may make exceptions for employees who experience significant life altering occurrences.

d. The teacher must have contributed one (1) sick leave day per year during the term of his/her employment with Battle Creek Public Schools and the Calhoun Intermediate School District while assigned to the Calhoun Area Career Center. Effective July 1, 2017, employees currently participating shall no longer be required to contribute a sick day for eligibility purposes. Employees who have contributed 10 or more sick days will receive an additional day in their sick leave payout. Employees hired prior to July 1, 2017 who have not participated shall be given a one-time option to participate in this benefit. In order to participate, an employee must notify Human Resources of their intent and must contribute five (5) sick days. The election to participate must be completed on or before December 22, 2017.

C. If for any reason a teacher who has been assigned to CACC while operated by Battle Creek Public Schools or who is employed at CACC by Calhoun Intermediate School District shall return to employment to Calhoun Intermediate School District, the teacher will not be eligible to receive the retirement benefit a second time.

D. Teachers who are eligible for and who elect to receive the retirement benefit described in this Article shall have the benefited amount deposited into a Special Pay Plan account, in the name of the teacher, in either July or January next following the effective date of the teacher's retirement and resignation from the District.

ARTICLE 16 - LEAVES OF ABSENCE

A. **Paid Leaves.**

1. **Sick Leave.**

a. At the beginning of each school year, all regular full-time teachers will be credited with ten (10) paid sick days, and all regular teachers working at least one-half time but less than full-time will be credited one sick leave day per month of employment (pro-rated) without loss of salary for the following reasons:

1. Personal illness or disability.
2. Serious illness in the "immediate family", interpreted to mean spouse, child or step-child, parent or step-parent.

3. Up to five (5) sick days during a fiscal year (July 1-June 30) may be taken by an employee to care for a seriously ill brother or sister. When sick leave is used for this purpose, the employee will report that utilization, in writing, to the Human Resources Office.

b. Employees will be credited with a full year's entitlement of sick leave as of the date of employment (assuming a full contract year; otherwise will be pro-rated for the term of employment). For example: Employee is contracted for 94 days, he/she will be credited with five (5) sick leave days. Days will be paid at employee's regular rate.

c. At the end of each year, any unused portion of the days earned shall be accumulated up to a maximum of 210 days.

d. Employees on 187 -day (or more) contracts shall be considered as employed ten (10) months per year.

e. The smallest increment of sick leave that shall be utilized and accounted for is one-half day, except up to one (1) sick leave day may be used in one (1) hour increments if a substitute is not needed.

f. Teachers must report the need for sick leave to their supervisors as soon as possible and the District may, as a condition of payment, require sufficient medical documentation or FMLA medical certification.

During any sick leave of more than three (3) consecutive workdays, the teacher must provide the supervisor with status updates by telephone on a weekly basis or as otherwise reasonably directed by the supervisor.

Upon request, a teacher will provide the District a healthcare provider's verification for his/her absence after using three (3) consecutive days of sick leave or if the District suspects the teacher of abusing sick leave or has a pattern of absenteeism. If the teacher did not consult with a healthcare provider, they must otherwise verify the basis for their leave upon request.

Falsification of medical documentation or abuse of paid sick leave benefits is grounds for discipline, up to and including discharge.

g. For purposes of the Family and Medical Leave Act ("FMLA"), sick leave which is allowed and utilized under this Article shall be charged against the employee's leave entitled under the Family and Medical Leave Act at the election of either the Board or the employee. This shall apply to:

2. Sick leave which is utilized pursuant to this Article to care for a family member (child, parent or spouse) with a serious health condition, including

where an employee must make arrangements for necessary medical and/or nursing care.

3. Sick leave which is utilized pursuant to this Article due to a serious health condition which renders the employee unable to perform the essential functions of his/her job.

2. **Personal Leave.**

- a. Each employee shall be entitled to three (3) days per contract year for personal business.

1. This leave shall not be taken the day prior to and/or the day following a holiday or vacation period or on parent-teacher conference days.

2. Personal leave days may not be used consecutively.

3. The employee shall notify the Director, in writing, at least five (5) school days in advance of intent to utilize the personal leave. In case of where five (5) days advance notice is not able to be given, the employee shall, as soon as possible, complete and submit the personal business form .

4. All leave is subject to availability of substitutes.

5. The smallest increment of personal leave that shall be utilized and accounted for is one-half day except one (1) day may be used in one (1) hour increments if a substitute is not needed.

- b. Employee requests for personal leave shall be approved or denied within four (4) days after they are received by the District.

- c. For an unused personal day at the end of the school year the employee will be compensated as noted in Article 8, Section J herein.

1. **Bereavement Leave.**

Up to four (4) days without salary loss will be granted for funerals in the immediate family (father, step-father, father-in-law, mother, step-mother, mother-in-law, brother, sister, husband, grandchild, spouse, or child) without having time charged against employee's sick leave. One day will be granted for the death of an aunt, uncle, niece, nephew, grandparent, brother-in-law, or sister-in-law.

In normal situations, multiple leave days under this section must be taken contiguously. Exceptions will be allowed if burial is delayed (e.g., due to weather,

travel, etc.) or a memorial service is held at a later date. In extenuating circumstances such as distant travel or where the employee has responsibility for funeral arrangements, the employee may request an additional one (1) day of leave. If granted, the additional day will be deducted from the employee's sick leave accumulation or available personal leave days. If the employee has no sick leave accumulation or personal days, the additional day of leave will be unpaid.

2. **Worker's Compensation Coordination.**

A bargaining unit member may elect to receive the difference between his/her regular salary and the amount received as workers' compensation benefits. Such difference in salary shall be computed on a percentage basis, and this same percentage shall be deducted from the bargaining unit member's sick leave accumulation. For example, if workers' compensation pays sixty percent (60%) of regular pay, sick leave may be utilized to pay the remaining forty percent (40%) and the bargaining unit member's sick leave accumulation shall be charged .4 of a day for each day so used.

It is further agreed, for purposes of Section 354 of the Workers' Disability Compensation Act, that the exchange of a sick day (or part thereof) in return for the payment of a salary differential by the District constitutes a direct contribution to this Plan by the bargaining unit member which precludes differential salary payment pursuant to Section 354(1)(b) of the Workers' Disability Compensation Act, MCL 418.354(1)(b).

Any deductions required by law, by this Agreement, or that are elected by the employee shall be withheld from this fractional sick leave payment. Additionally, payroll deduction is authorized for all MPERS contributions that are the responsibility of the employee on the amounts paid as workers compensation wage loss benefits. In the event that the amount deducted is insufficient to cover any deductions required by this Agreement, elected by the employee, or the required employee MPERS contribution, those amounts will be billed to the employee, who shall pay the invoice within ten (10) days of receipt.

If an employee receiving worker's compensation wage loss benefit does not elect to receive fractional sick leave pay under this provision or is not eligible to do so, the employee will be billed for the employee's MPERS contribution that is the responsibility of the employee on any worker's compensation wage loss benefits received, as required by law. The employee shall pay the invoice within ten (10) days of receipt.

4. **Jury Duty.**

A jury duty leave shall be granted to any teacher who is obligated to serve as a juror in court. The teacher shall receive full pay for the teacher's regularly

scheduled hours of work during such leave, provided the teacher informs the Employer within three (3) working days after receiving a jury summons, and provided further that the teacher pays over to the Employer all juror fees, excluding mileage, received by the teacher. Any teacher who is excused from jury service during regularly scheduled work hours shall report for work for the remainder of the day.

6. **Court Appearances.**

A teacher who is subpoenaed to testify in court or at an administrative hearing will be released from duty, without pay (or may take one of their personal days), for that purpose provided that neither the District or the Association is a part litigant and so long as the proceeding is not the result of employee's negligence or misconduct and the employee is not a plaintiff in a proceeding against the District or Board or connected with an unfair labor practice hearing involving the Board and the Association. However, if the teacher's participation as a witness is related to the performance of his/her job duties, the teacher shall be paid his/her regular wages, less the statutory witness fee so long as the proceeding is not the result of employee's negligence or misconduct and the employee is not a plaintiff in a proceeding against the District or Board or connected with an unfair labor practice hearing involving the Board and the Association.

7. **Reserves or National Guard:** Any teacher who is a reservist or a member of the National Guard who is required to miss work to attend annual active duty for training or to report for active duty in the event of a national or state emergency shall be compensated by the Board for the difference between regular pay and military pay, for the time which would have been regularly worked, to a maximum of ten (10) days during any twelve (12) month period. Such payment shall be granted only upon advance notice to the Board at least seven (7) days prior to the beginning of the month during which the teacher's absence will occur. A teacher who desires payment shall sign the military pay over to the Board and the Board shall make the teacher whole.

B. **Unpaid Leaves.**

1. **Extended Illness/Disability Leave.**

a. A bargaining unit member who is incapacitated or disabled due to personal illness or disability and who has exhausted all earned and accumulated sick leave shall be placed on an extended unpaid leave of absence for the duration of his/her illness or disability for a period of up to six (6) months from the date upon which sick leave was exhausted. Such leave will be granted without pay or increment and may be extended for an aggregate period not to exceed one (1) year from the date on which sick leave was exhausted.

A bargaining unit member anticipating an extended period of illness or disability may voluntarily elect to apply for leave under this paragraph as opposed to utilizing his/her accumulated sick leave or any portion thereof. Provided that either the District or the bargaining unit member shall have the right to substitute the bargaining unit member's accumulated sick leave for leave taken under the Family and Medical Leave Act. The Board will continue to pay its portion of the insurance premium contributions during such leave for a period not to exceed ninety (90) days.

2. **Child Care/Family Care Leave/FMLA.**

a. Bargaining unit members who meet the eligibility requirements of the Family and Medical Leave Act (FMLA) shall be allowed unpaid leave of up to twelve (12) weeks (in a twelve month period) for the birth and care of their newborn child, adoption or foster placement, with the entitlement to this leave expiring at the end of the twelve (12) month period beginning with the date of the child's birth, adoption or foster placement (if applicable). The leave year shall be calculated on a rolling backward basis, when required by law. A fitness for duty certificate may be required upon return.

b. Up to twelve (12) weeks leave shall be allowed (not to exceed a total of twelve weeks of FMLA leave in a twelve month period), if the bargaining unit member is required to care for a spouse, parent, son or daughter who has a serious health condition.

The Board will continue to pay its portion of the insurance premium contributions during the period of such leaves, to the extent of the employee's eligibility under FMLA.

FMLA leave is concurrent with other leaves, including worker's compensation leave.

c. Employees who are not eligible for mandatory FMLA leave as referenced above, or who desire time beyond the twelve (12) weeks may request a leave of absence (or extension of an FMLA leave) for the purposes specified above. Requests will only be granted in cases where there are compelling reasons requiring the presence of the employee. However, requests for extension of a child care leave will be granted for a newborn or newly adopted child of the teacher so long as the leave concludes not later than one (1) year after the date of birth or adoption.

Leaves will not exceed one (1) year [inclusive of any leaves taken under ¶2(a) and (b) above] and will only be granted without pay or other employee benefits, except as provided otherwise above.

Approval of leaves not required under FMLA will be at the sole discretion of the Board of Education.

3. **General Leave.**

The Board may, within its sole discretion, authorize a teacher to take a leave of absence, without pay or benefits, where such leave would benefit the teacher or the Board. Each request for leave of absence under this provision will be considered on its individual merits. The Board, with the understanding that its decision will in no way establish a precedent, will review the particular circumstances surrounding each request for a leave of absence. The decision of the Board to grant or deny a leave of absence is final and not subject to the Grievance Procedure.

4. **Military Leave.**

a. **Active Duty:** Teachers who enter the military service of the United States shall be granted leaves of absence and reinstatement of employment as required by applicable provisions of state and federal law.

5. **Recreational Leave.**

CISD may approve written requests for up to five (5) days of recreational leave without pay. No more than two (2) members of the bargaining unit will be permitted to utilize recreational leave at one time. Recreational leave will not be granted more frequently than once every three school years for a bargaining unit member.

Recreational leave days shall not be used prior to or following any school holiday, vacation or recess, nor is the use of recreational leave to conflict with conferences or days on which professional development is scheduled. Priority for the granting of recreational leave shall be given to those staff members making the earliest request.

6. **General Conditions.**

a. Any leave of absence granted will be with the understanding that it is a leave of absence from the District and not from a particular position.

b. Bargaining unit members who are on paid leave under this Article will receive and will maintain normal credit for increments on the professional salary schedule. Unpaid leaves (except military leaves) shall not entitle the bargaining unit member increment advancement. However, if the bargaining unit member

has worked (and/or been on paid leave status) ninety (90) or more work days in the school year in which unpaid leave is taken, the increment shall be granted.

c. Unpaid leaves of absence shall not entitle the bargaining unit member to accrual or payment of any benefits under this Agreement except as are otherwise specifically described under the terms of this Agreement. Board paid insurance premiums (i.e. Board portion) shall not be discontinued until conclusion of the month immediately following the month in which the leave commenced, except where the Board is required either by this Agreement or by law to continue its portion of premium payments for a longer interval.

If the employee fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the employee or other circumstances beyond the employee's control) the Board shall have the right to recover all premium payments made by it during the unpaid leave interval, with the exception of any premiums allocable to use of the employee's accumulated sick leave. These amounts may permissibly be deducted from any wage or other payments due the employee, with any deficiency to be remitted by the employee to the Board within five (5) business days of demand.

d. Employees taking leave under this Article for medical and/or psychological reasons shall provide, at the Board's request, appropriate verification of the necessity for leave and the employee's fitness to return to duty at the conclusion of the leave. The Board has the right to require that a second opinion (at Board expense) be obtained. If that opinion differs from that of the employee's health provider, the employee and the Board (with consultation with the Association, if required by the employee) shall mutually designate a third health provider whose opinion relative to leave eligibility of initial fitness to return to work shall be considered final on the Board, the employee and the Association. The cost of this examination shall be paid by the Board.

In the case of an adoption or foster care placement, a copy of the order awarding custody to the employee shall be provided to the Board (if requested) in connection with the employee's application for those purposes. When leave is taken under this Article to care for an employee's own seriously-ill spouse, child, parent, or due to the employee's own serious health condition, the employee will, upon administrative request, provide medical certification from a health care provider supporting the necessity for the leave.

e. In order to provide continuity within the workplace, the employee shall promptly notify the Board in writing of his/her desire to take leave under this Article. The letter requesting leave shall include the proposed commencement date of the leave and the anticipated date return. Except in case of an emergency, or where the need for leave is not foreseeable, the employee shall give

such notice at least thirty (30) days prior to the date on which the leave is to begin.

Written requests for an unpaid leave of absence shall be approved or denied within five (5) work days after they are received by the Employer. Leave requests which are not supported by required documentation will be denied. In such a case the Employer may choose to grant the denied leave under other applicable leave of absence sections, if any.

The Board and the employee agree to cooperate in scheduling the return from the leave at a time which minimizes disruptions to the continuity of the service delivery system.

f. Where an instructional employee requests intermittent leave or reduced schedule leave to which the instructional employee is entitled under Family and Medical Leave Act and would be on leave for more than twenty percent (20%) of the total number of working days over the period the leave would extend, the Board may require that the instructional employee:

1. Take leave for a period not to exceed the duration of the placed treatment; or
2. Transfer temporarily to an available alternative position for which the instructional employee is certified (or approved, as applicable) and qualified (and which had equivalent pay and benefits) where the temporary transfer would better accommodate the need for recurring leave, in comparison to the instructional employee's current assignment.

g. In the event of absence not covered by this Agreement, the deduction from the teacher's salary shall be at the teacher's per diem rate. This shall be determined by dividing the teacher's salary by the number of workdays per year scheduled for the teacher. Administration of this section does not excuse a teacher from not requesting leave pursuant to the Agreement and does not preclude the District from disciplining a teacher for unexcused or excessive absences.

ARTICLE 17 - CONTRACT MANAGEMENT COMMITTEE

The Contract Management Committee shall consist of three (3) members of the Association selected by the Association and three (3) individuals designated by the District to meet monthly during the school year. In any given month, should both groups agree there is no need to meet, that monthly meeting will be skipped.

Meetings of the Contract Management Committee will be held at a time mutually set by the District and Association members of that Committee.

ARTICLE 18 - INSURANCE

A. The Board shall make medical benefit plan cost contributions, as specified below, for a full twelve (12)-month period beginning July 1 for each full-time eligible employee (those not receiving cash-in-lieu) and his/her eligible dependents for the chosen insurance plans (the “Base Plan” or “Alternative Plan”) in a combined monthly amount not to exceed the following amounts, paid per eligible Employee:

Beginning January 1, 2023 for the remainder of the 2023 calendar year:

Single:	\$616.62
2-Person:	\$1,289.55
Full Family:	\$1,681.70

The above-noted amounts shall be increased each year of this agreement to the maximum monthly hard cap amounts designated by the State Treasurer .

If during the term of this Agreement the Association wishes to change the health insurance product and/or health insurance plan specifications in order to lower the medical benefit plan costs paid by bargaining unit members, the Association shall make a written request to that effect to the Superintendent (or designee). If the District and Association concur that a change in the health insurance plan (or its specifications) is desirable, the District will solicit bids in conformance with the Public Employees Health Benefit Act and, upon receipt of those bids, will review the responses with the Association.

If the District and the Association thereafter concur that the health insurance plan or its specifications should be altered, they will memorialize that agreement as an amendment to this contract. The District will then notify the health insurance provider of the change(s) which will not be implemented until any notice requirements imposed by Michigan or federal law, and any such requirements of the insurance provider, have been satisfied.

Medical benefit plan costs for which the employee is responsible will be payroll deducted in two (2) equal payments per month. The District will make a Section 125 plan available for this purpose.

In the event that the medical benefit plan costs for the Alternative Plan (MESSA ABC 1) are less than the Board’s medical benefit monthly hard cap contribution the differential will be contributed, on a monthly basis, into a Health Equity HSA for the enrolled employee.

For full-time bargaining unit members the District shall pay 100% of the Pak-B Plan non-medical benefits.

Bargaining unit members who wish to change between the Base Plan and the Alternative Plan may do so in the regular open enrollment in November. Changes in Plans shall be effective January of the following year for those who enroll during November.

The medical benefit plan year shall be January 1 through December 31 of each year.

The Base and Alternative Plans shall conform to all requirements of the PPACA and PA 152, including any requirements necessary to avoid penalties, taxes, fees or other liabilities for the Board.

All Board contributions and payments shall comply with all applicable state and federal laws or become void.

The Board's medical benefit plan cost contribution shall first be applied to insurance premiums, then to any remaining medical benefit plan costs, in an amount not to exceed the monthly per employee cap listed above. Medical benefit plan costs shall include contributions to insurance premiums, as well as any payments already made, or that will be made, by the Board during the "medical benefit plan coverage year" toward Board reimbursement of co-pays, deductibles or payments into health reimbursement arrangements, health savings accounts, flexible spending accounts or similar accounts used for health care costs, insurance related taxes, penalties or fees, insurance agent/company commissions and any costs required to be accounted for under Public Act of 2011, as amended.

EDITORS NOTE: The parties negotiated new insurance options for the calendar year beginning January 1, 2019. The parties are now part of the MESSA Area Purchasing Agreement with school districts from Branch, Barry and Calhoun counties

APPENDIX H TUITION REIMBURSEMENT PROGRAM

CACCEA Tuition Reimbursement Program, (May 23, 2023)

The CISD Administration has set aside \$15,000 for members of the CACCEA to receive tuition reimbursement. The primary purpose is to provide financial assistance to those working on obtaining their bachelor’s degree, as a Bachelor’s degree is a condition of employment. The secondary purpose will be to provide financial assistance to those getting occupationally teaching certified, and those pursuing post-baccalaureate degrees related to their particular teaching field.

Process:

- Eligible staff must complete a tuition reimbursement form. This requires administrative approval (1) prior to taking a class(es), and (2) upon completion of class(es).
- Classes must be taken at an accredited college.
- Classes must be passed with a “C” grade or better, or a “Pass” grade in a pass/fail class, to receive tuition reimbursement.
- Classes must be part of program of study to obtain a bachelor’s degree, occupational teaching certification or post- baccalaureate certificate and/or degree. The program of study must be relevant to the staff members’ assignment.
- The CISD Administration has full discretion to deny the request.

Distribution of funds:

Funds will be distributed three (3) times during the school year, pursuant to the following schedule:

- #1- September 1 - for classes taken during the summer term (6/1 to 8/31)
- #2- January 1 - for classes taken during the fall term (9/1 to 12/31)
- #3- June 1 - for classes taken during the winter term (1/1 to 5/31)

The funds available during each period are as follows:

- #1- \$7,000
- #2- \$4,000 (plus any funds not distributed during period #1)
- #3- \$4,000 (plus any funds not distributed during period #2)

Funds will be allocated as follows:

- #1 - The first distribution consists of 50% of available funds, allocated to those seeking reimbursement for a Bachelor's degree. Funds will be divided equally between the numbers of persons seeking reimbursement. Any funds not distributed during the initial distribution will carry over to the second distribution. The remaining funds are divided equally between all persons seeking reimbursement. Any funds not distributed during #1 will carry over to #2.

- #2 - The first distribution consists of 50% of available funds, allocated to those seeking reimbursement for a Bachelor's degree. Funds will be divided equally between the numbers of persons seeking reimbursement. Any funds not distributed during the initial distribution will carry over to the second distribution. The remaining funds are divided equally between all persons seeking reimbursement. Any funds not distributed during #2 will carry over to #3.

- #3 - The first distribution consists of 50% of available funds, allocated to those seeking reimbursement for a Bachelor's degree. Funds will be divided equally between the numbers of persons seeking reimbursement. Any funds not distributed during the initial distribution will carry over to the second distribution. The remaining funds are divided equally between all persons seeking reimbursement. Any funds not distributed during #3 will be returned to the general fund and will not impact funds available for future distribution.

- NOTE: Reimbursement is for tuition cost only. At no time can an individual receive more in reimbursement than the actual tuition cost. This program does not guarantee full reimbursement of tuition cost or an exact amount of reimbursement. Reimbursement amounts depend on the number of persons seeking reimbursement and the funds available in each distribution period.

- This program is retroactive to July 1, 2017.

Hypothetical distribution:

During period #1, 3 people seek reimbursement for a bachelor's degree. There is \$3,500 available during the first disbursement, so each person would be eligible for up to \$1,166.66 in reimbursement. In this example, employee A is seeking \$600, employee B is seeking \$900, and employee C is seeking \$1750. Employees A and B would receive total reimbursement, and employee C would receive \$1,166.66. The initial distribution was \$2,666.66 (600 + 900 + 1,166.66). The remaining funds (\$4,333.34) are now available for all persons seeking reimbursement, **including** employee C. For the second distribution in period #1, employee C and 2 other employees seek reimbursement. Since there are 3 persons seeking reimbursement, each person is eligible for up to \$1,444.45 (\$4,333.34 divided by 3). Employee C is now seeking \$583.34 (\$1,750 minus initial distribution of \$1,166.66), employee D is seeking \$750, and employee E is seeking \$2,500. Employees C and D would receive total reimbursement, and employee E would receive

\$1,444.45. The second distribution was \$2,777.79 (583.34 + 750 + 1,444.45). The fund distributed \$5,444.45 of the \$7,000 available, leaving \$1,555.55 that will carry over into period #2. The funds available in period #2 are now \$5,555.55 (\$4,000 plus the carry over amount).
